EXPLORING BEYOND THE CLASSROOM

BLUE LOTUS COLLEGE EXCURSION HIGHLIGHTS

At Blue Lotus College, we believe that learning extends far beyond the confines of the classroom. Recently, students from various courses embarked on an exciting excursion, immersing themselves in hands-on experiences and creating unforgettable memories together. From cultural landmarks to natural wonders, our students embraced the opportunity to explore, learn, and have fun outside of their regular academic routines.

We extend our heartfelt appreciation to all the students who participated wholeheartedly, as well as to the faculty and staff who facilitated this memorable experience.

Blue Lotus College Karaoke Acquaintance Party:

A Night of Harmony and Unity

In February, Blue Lotus College hosted a memorable Karaoke Acquaintance Party at Diesel Bar and Eatery in Melbourne, bringing together students from diverse nationalities for an evening of music, laughter, and camaraderie. The event was a resounding success, as students from various cultural backgrounds came together to celebrate their shared passion for music and dance.

UPDATE FROM THE IMMIGRATION

The Australian Government has made changes to English Language Requirements for Student and Temporary Graduate visas.

<https://immi.homeaffairs.gov.au/news-media/archive/article?itemId=1188>

From 23 March 2024, the Genuine Student (GS) requirement replaces the Genuine Temporary Entrant (GTE) requirement for Student visas.

This change was announced as part of the Australian Government's Migration Strategy released on 11 December 2023 and applies to all Student visa applications lodged on or after 23 March 2024.

The purpose of this amendment is to clarify the assessment of a student's intention to genuinely study in Australia and to remove the confusion about whether the student can express a desire to migrate to Australia...
